Calendar in English

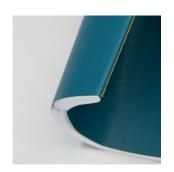

The vertical planner layout is supplemented by monthly and year calendars, public holidays, school holidays and lined note pages.

The Linescape journals are new in the range: slim booklets for quickly jotting down notes and ideas when out and about.

The practical A5 format is just the right size to provide plenty of space for notes yet still slip easily into any pocket or bag. The cover is made of colour-printed textured paper; the visible stitching in a contrasting colour adds an elegant touch. Linescape journals are squared or lined, and come in a set of two.

SIGEL LINESCAPE

When it comes to this second range of notebooks, it is the five colour combinations – stylish neon shades or muted black/grey – that make them stand out from the rest. Likewise, the matching fore edge and elastic strap are guaranteed to catch the eye.

With a cover made of colour-printed textured paper and a wide elastic strap that holds a range of utensils.

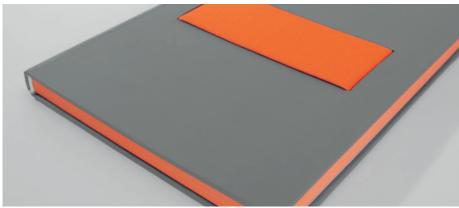

Space for several pens, mobile phone, wallet, glasses case, etc.
