

DESK SHARING BAG WORKSPACE

work inspired

Professional solution for desk sharing and mobile working

Application

- Transport of work equipment indoor and outdoor for daily commuting, field service and longer distances
- 2-in-1 concept: bag and mobile workstation in one: whether on the train, in the office or in a café
- Secure storage of work equipment on the go

Key facts

- Magnetic closure flap to protect against unauthorised access
- Clever interior layout with pockets and elastic bands for clear organisation of laptop, mouse, headset, notebooks and much more.
- Made from 100% recycled RPET felt
- Dimensions: 45x28x15 cm
- Fold-out side panel serves as a writing pad and provides privacy for concentrated work in small spaces
- Absolutely stable, with or without contents
- External compartment for mobile phone or key card
- Easy to transport thanks to 2 carrying handles and a padded, removable shoulder strap
